6 Port Decorex Face Plate Insert - White

Networx SKU: **WP-X06WH** | 6 Port | Color: White

The Networx® Six-Port Decorex faceplate insert is designed to fit Decorex single gang and dual gang wall plates and low voltage caddy frames in both commercial and residential installations supporting data, voice and audio video distribution networks. It is compatible with all Networx® 180° keystone jacks in addition to most other name brand keystone jacks - neatly snap in any mix of data, voice or audio video keystones for a custom configuration on site, with quick and easy access in the future.
