

GoldX[®] Samsung Charger Kits

GXKQP-SA2

For Use With QuickConnect[™] USB Cable

The 24 Karat GoldX[®] QuickConnect[®] Cell Phone Charger Kit extends versatility of your GoldX[®] “QuickConnect[®] 5-in-1” or “4-in-1” USB Cable (sold separately) to being a cell phone charging kit. This kit affords the advantage of charging your phone while you are at work, home, or traveling. While working at your computer or laptop, the QuickConnect Phone Tip and A male end, plugged into the cable, allow you to charge your phone from your computer. While traveling in your vehicle, attach the auto charger connector instead of the A male end. Such convenience extends not only to the automobile, but also to those aviation enthusiasts who wish to charge their phones while in flight with the GoldX[®] In-Flight Power Adapter (sold separately).

Easily recharge your Samsung cell phones, wherever you are, with the GoldX[®] QuickConnect Cell Phone Kit. For Phones: e105, x105, p107, r225, a310, s300, s307, e316, e317, n370, d410, d415, x426, x427, a530, a610, n625, a650, a670, e715, a790, v205, v206

Features:

- Compatible power sources include computer's USB port, vehicles, boats and planes
- Kit contains: phone adapter, USB male connector, auto adapter and 3' cable (Airplane Empower adapter sold separately)
