

GoldX[®] PowerCore™ System Accessory Kit

GXKSU-104A

For Use With PowerCore™ Hi-Speed USB Hub

This GoldX[®] 24 Karat Quality PowerCore™ cable and accessory kit is for the GoldX[®] PowerCore™ Hi-Speed USB Hub which contains 4 USB ports to both aid and extend your connectivity.

This kit supplies the GoldX[®] PowerCore™ USB Hi-Speed Hub with the cables needed to satisfy your connectivity needs. Included with 2 varied length USB cables is an active extension cable which extends the length of your connectivity. Other added components are the USB Hub clip which allows easy connection between adjacent GoldX[®] USB Hubs on a PowerCore™ Stack and a 5 volt 2 amp power adapter in case your wish to use the GoldX[®] Hi-Speed USB Hub independent of the PowerCore™ System.

When using the GoldX[®] 24 Karat Quality PowerCore™ cable and accessory kit you will connect with the worlds most advanced power system patented one of a kind innovative design. The GoldX[®] PowerCore™ Hi-Speed USB Hub combined with the GoldX[®] PowerCore™ System gives you the ultimate in Surge Protection and Power. When powering up, power passes through the center of each hub. The Modular construction of the surge and data protection modules afford both protection and convenience. The compact construction of the PowerCore™ power system will help you to clean up the clutter by saving desktop space and simplifying your connection needs.
