

IEEE FireWire QuickConnect® Cable 3 In 1 On The Go

24 Karat Quality Cable that Connects your Computer to Any A/V FireWire® Device or FireWire® peripheral GXQF-06

No longer do you have to purchase multiple cables when you are connecting your various FireWire® enabled devices to one another! The *QuickConnect™* series from GoldX® PlusSeries® provides you with 3 different FireWire® configurations within one package. All you have to do is choose the appropriate connectors for your specific environment. Computer to FireWire® Hub, FireWire® Hub to Digital Video Camera, Digital Video Camera to Digital Video Camera - doesn't matter! Also included with this cable is a connector case for convenient storage of the FireWire® connectors not in use.

Featured Product Benefits

- Premium Quality
- Industry standard color coded for easy installation
- Foil and Braid Shielding to reduce EMI/RFI interference
- Designed for High speed transmissions for optimal performance
- Detachable Gold Plated Connectors for added convenience
