2 Inch J-Hook Cable Support - Ceiling Mount, Galvanized, 25 Pack

Networx SKU: **JH-201-200** | GTIN: 00845425025142 | 2 in. Ceiling Mount | 25 Pack

The Networx® 2-inch J-Hook Cable Support with Ceiling Mount carries structured cabling runs efficiently and at low cost. It attaches to ceiling structures with its angled top bracket. The hook is made from 18-gauge galvanized steel with a zinc finish for durability and rust resistance, and its smooth edges hold cables at a proper bend radius without damaging them during the pull. It is a cost-effective alternative to ladder rack and cable tray for low-voltage cabling, and it is sold in packs of 25.
