2U Cable Management Duct

Networx SKU: **RA-MCD-2U** | GTIN: 00845425025364 | Cable Duct

The Networx® 2U Metal Cable Management Duct organizes and protects horizontal cable runs between rack-mounted equipment. Its open slotted face makes it easy to route, add and remove cables, and the rear pass-through slots let cables move between the front and back of the rack. It is built from SPCC cold rolled steel with a black (RAL 9005) finish and mounts in any standard 19-inch rack or cabinet.

PRODUCT DIAGRAM

FACTORY DIMENSIONS (mm)

KEY FEATURES

- **Open Slotted Face:** Finger slots make it easy to route, add and remove cables.
- **Protects Cabling:** Keeps cables from pinching and tangling and away from airflow paths.
- **Durable Steel:** SPCC cold rolled steel with a black (RAL 9005) powder coat finish.
- **Rear Pass-Through:** Two slots carry cables between the front and rear of the rack.
- **Universal Fit:** Mounts in standard 19 in. racks and cabinets.
- **Ships Flat Packed:** Arrives in a protective two-layer corrugated carton with mounting hardware.

APPLICATIONS

- Horizontal cable management between rack-mounted devices
- Patch panel and switch cable dressing
- Structured cabling in data centers and telecom rooms
- Clean, serviceable cable routing
