Quad Fan Cooling Tray for Networx® 31" Deep Server Enclosure

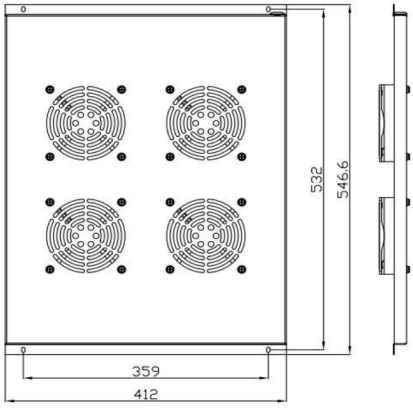

Networx SKU: **SF-4X0800MM** | GTIN: 00845425025418 | Fan Tray

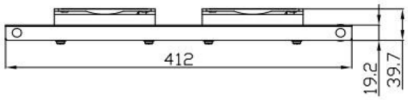

The Networx® Quad Fan Cooling Tray adds active ventilation to Networx® SE Series 31-inch (800 mm) deep server enclosures. 4 fans exhaust hot air to keep equipment running cool, and the low-profile tray installs without using any rack units. It plugs in with the included standard AC power cord, so no adapters are needed. It is built from SPCC cold rolled steel with a black (RAL 9005) finish.

PRODUCT DIAGRAM

FACTORY DIMENSIONS (mm)

KEY FEATURES

- **Quad Fans:** 4 fans actively exhaust hot air from the enclosure.
- **Made to Fit:** Designed for Networx® SE Series 31 in. (800 mm) deep server enclosures.
- **Durable Steel:** SPCC cold rolled steel with a black (RAL 9005) powder coat finish.
- **Zero Rack Units:** Low-profile tray installs without taking up rack space.
- **Plug and Play:** Standard AC power cord included - no adapters required.
- **Hardware Included:** Ships with mounting screws.

APPLICATIONS

- Active ventilation for Networx SE Series server enclosures
- High-density network setups that need more airflow
- Thermal management in data centers and IT closets
- Preventing overheating to prolong the life of critical hardware
