

Assembly Packing List

Screws
QTY: 8

Nuts
QTY: 8

Top and Bottom
Bracket
QTY: 2

Side Bracket
QTY: 2

Mounting Profile
QTY: 1

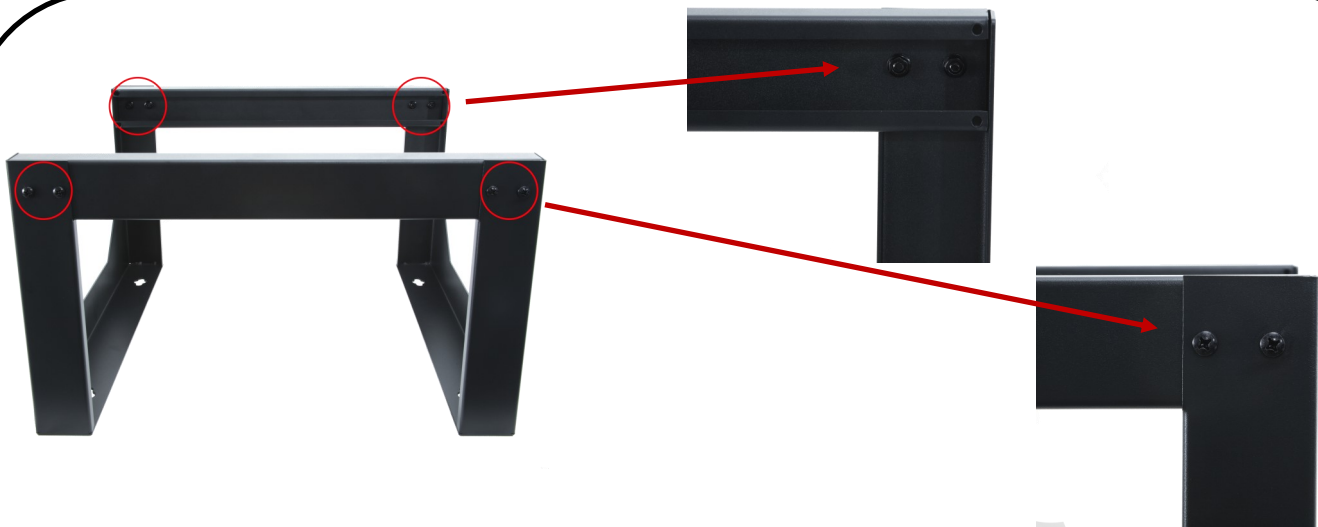

Step 1: Lay down side brackets

To start, lay both side brackets down parallel to each other.

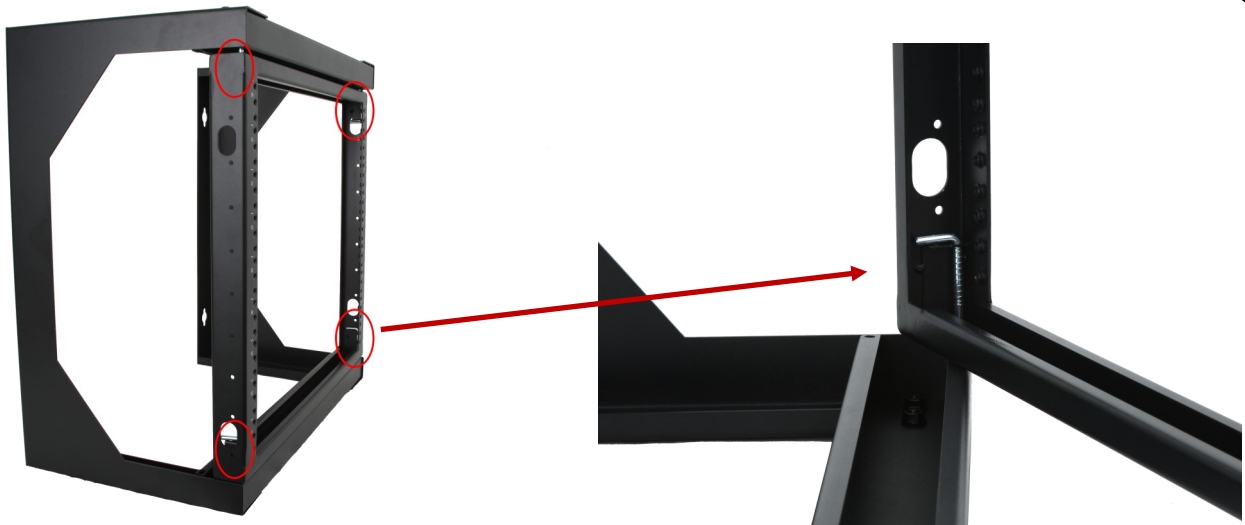

Assembly Instructions

Step 2: Secure top and bottom

Secure the top and bottom brackets to the side brackets using 8 screws and nuts.

Step 3: Attach mounting profile

Next, tilt the frame forward so it is standing. Then position the mounting profile to the front opening of the frame and secure by releasing the metal pins on all four corners on the inside of the mounting profile. Your rack is now complete.
